Jaycees Announce Contest To Find City Yo-Yo Champ

The Albany Junior Chamber of Commerce today announced plans to sponsor a city-wide Yo-Yo contest from February 6 through 22, according to President Bob Woolworth. Youngsters up to 16 years of age may compete for the title of school city "champion" with a chance to attend the district and state finals. The program is being sponsored in cooperation with Albany schools.

Woolworth said a contest will be held each week on the same day each of the three elementary schools. The schedule includes the following:

Marin School: Tuesday, February 6, 13 and 20; Cornell School, Wednesday, February 7, 14 and 21; and Codornices, Thursday, February 8, 15 and 22.

Eight basic tricks will be used in the contest, including the spin, forward pass, over the falls, round the world, walk the dog, rock the cradle and ten to the loops. Two chances are given each contestant on each trick. Full credit will be given if completed on either chance. Perfect score would be gained by doing each of the eight tricks correctly. All strings must be wound on the Yo-Yo at completion of the trick. In case of tie, the loop the loops number will be used to determine the winner.

At each weekly contest the first place winner will receive the blue Champion emblem, second place the expert award and third place the skill award.

The first three place winners of the first and second week's competition are eliminated from running on following week. At conclusion of the third preliminary, the three winners of each contest vie for the school championship. The winner will receive a wool sweater with "Eagle Champion" award.

He then advances to the city level where the school champions vie for the city title. The champion receives a large "Eagle Champion" emblem, and a trip to the district finals to be held in Alameda.

Along the line of other prizes, the Albany Yo-Yos and Jumbo Yo-Yos will be given for special accomplishments.

Rotarians Hear Newspaper Man On UN Affairs

"The United Nations today is not the solution for world peace, but is something the United States can use to its advantage," Raymond Lawrence, veteran newspaper man and authority on UN affairs told Albany Rotarians at the Monday luncheon.

Lawrence, chief editorial writer for the Oakland Tribune, told members and guests that the UN enables the United States to take advantage of the friendship of its allies through moral collective security—basic principle of which the UN charter is based on.

He pointed out that the UN has not accomplished as much as the American people thought it would when organized in 1945. However, he added that the United States expected more than the UN is equipped to do.

"The UN today is at the crossroads of either life or death," he said. "Life of the UN at the beginning of the war was rather optimistic. But the Chinese intervention has developed a far greater crisis."

"The United States has charged Red China as aggressors, of which there is no doubt," he said.

Lawrence termed the removal of all troops from Korea and letting Red China into the UN as "submitting to black mail and then rewarding the enemy for its aggression."

He said returning to isolation would be a dangerous move.

"Not only would we be violating our pledges to the UN, but we would become a garrison state. This would demand a larger army and economic controls would become totalitarian to the Nth degree."

"There are no reasons for scuttling the UN because it is weak, for in the future it will be the basis for an international state. We are seeing the gradual decline of the national state for an international state. The UN is a step in the right direction because it will help us," he concluded.

Lawrence, a board member of the American Association of United Nations, was introduced by Harold Olson, program chairman and Rotarian since 1943.

President Elmer Coble presided over the program, and highlights of the February issue of "The Rotarian" were reviewed by Robert Benefield.

Benefit Rummage

The Holly Branch of Children's Hospital of the East Bay is sponsoring a rummage sale today and Saturday at 3224 Adeline St. Berkeley.

Hours will be from 9 a.m. to 4:30 on Friday and from 9 a.m. to noon on Saturday, according to Mrs. Ray Vandervoort and Mrs. F. B. Henderson Jr., co-chairmen.

DR. PAUL C. BRYAN, superintendent of Albany Schools and new chairman of Berkeley Chapter, American Red Cross, is pictured with other new officers as they scan the chapter's annual report presented at the 52nd annual dinner. Seated, left to right, are Mrs. M. E. Gilchrist, secretary, and Mrs. Ralph Hoyt, second vice-chairman. Standing, left to right, are W. T. Jenins, treasurer, and Dr. Bryan.

Red Cross Calls For Volunteer Workers

A call for volunteer solicitors to work in the 1951 Red Cross Fund campaign in Albany was issued today by Eugene Baker, Albany chairman.

The annual Red Cross drive for funds to support its 19 services is scheduled to start March 1, Baker said.

Solicitors for both residential districts and business areas are needed, he said.

At the same time Baker announced that Mrs. Delsa Walton and Mrs. Well C. Betten, residential co-chairmen, have named the following area chairmen:

Mrs. Leslie Spivak, Precincts 14, 15, 16, 17, 18, 19, 20 and 32; Mrs. Louis J. Hardie, Precincts 13, 21, 22 and 23; Mrs. Harold Stone, Precincts 22, 24, 25, 26 and 27; Mrs. J. A. Egenberger, Precincts 4, 5, 6, 7 and 29; and Mrs. Mildred Bradford, Precincts 8, 9, 10, 11 and 31.

Volunteer solicitors are asked to call Mrs. Walton at LAnd. 5-1109 or Mrs. Betten at LAnd. 6-8675.

Scouts Take Over City February 18

Over 150 Albany Boy Scouts and Cubs will join with some 2,750,000 other throughout America the week of February 6-12 in observance of the 41st anniversary of Boy Scouts of America.

Using the national theme "Strengthen Liberty," Mayor C. F. Graber has invited local Scouts to "take over the city" on Tuesday, February 13. Boys will "preside" at the City Council that evening, which will be held on Tuesday because of the Monday holiday.

Taking part in the local observance will be members of Scout Troop 12, sponsored by Albany Post 292, American Legion; Troop 42, sponsored by Marin Dads' Club; Explorer Post 212, sponsored by Eagles; Sea Scout Troop 58, sponsored by (Continued on page six)

SOROPTIMIST SCRIBBLINGS

Albany Soroptimist today knew more about the Albany Police Department after hearing its history reviewed by Inspector Robert Turley at the Wednesday luncheon.

"If you wanted the police 25 years ago," he said, "you called the Fire Department. The firemen would then turn on a red light indicating that the officer on duty was wanted at the station."

"But today," Turley said, "our local police cars are equipped with 3-way radios, and officers are on duty 24 hours a day. All you need to do is telephone LAnd. 5-7300 and the police will be there without delay."

Turley was introduced by Kay Hill, program chairman.

President Edith Lennox presided over the luncheon, and members sang "Happy Birthday" to her in celebration of her birthday on Tuesday. Members presented her with a pair of silver candle holders.—Nell Moore.

CITY WAGE BOOST HALTED BY FREEZE

Excerpts From The Avenues By GENE EPPLER

The little Ordway home was dark but its porch light was beaming brightly—as if to say "we have been waiting for you" . . . And on the door was this note enclosed with a generous donation for the "Mothers' March of Dimes."

Dear PTA Worker, Sorry we were not home to give you our donation. Today is my husband's day off and we are painting his mother's kitchen. Thanks kindly, Mrs. . . .

The note was found by Mrs. Claire McGaw, one of the many PTA women joining in the Tuesday night march against polio.

We spotted three Albanyans skiing on the new Dodge Ridge slope last Sunday. The Hanahan sisters, Audrey and Lorraine, were there, along with Helen C. Selle, all members of the Berkeley Ski Club . . . Thirty-five boys and girls of Albany senior Hi-Y will make their annual ski trip to Soda Springs Saturday. Mr. and Mrs. Phil Elwood and Executive Secretary Elmer Coble will accompany the youngsters on the charter bus.

. . . Albany Jaycees leave Saturday for a ski trip to Peddler's Hill area. Prexy Bob Woolworth said about 15 will make the trip.

Albany today has its first Welcome Wagon hostess. . . She is Mrs. Delsa Walton, 1427 Thousand Oaks, local main spring in civic, Red Cross, school affairs and other things for the good of the city. Mrs. Walton returned from Hollywood last week after completing a 10-day training course with the international organization. . . A Welcome Wagon hostess is the nice lady who calls on newcomers, engaged girls, parents of new babies, etc., welcoming them to the city. . .

In addition to presenting them with gifts from the merchants, her duties also include telling them about schools, churches, civic organizations and stores.

Kris Knudson is remodeling his music store and school at 505 San Pablo Ave. He said the store, constructed only five years ago, will have an all glass front when completed. Kris opened his business here 14 years ago and today has one of the largest music schools in the East Bay. Over 400 students study there each week under direction of nine full-time teachers.

Treadwell Fulgram Souza, 21, son of Mr. and Mrs. A. P. Souza, 871 Masonic Ave., was inducted recently in the U. S. Army English Reserve Corps and has been assigned to Company D, First Infantry Regiment, Sixth Division at Fort Ord, Calif. He was a baker before entering the service and was graduated from Richmond High School. . . Pvt. Roy E. BB Shooters—Beware, Warns Police Chief

Albany Police Chief Stanley C. Williams today warned that youngsters found shooting BB guns within the city limits will be picked up and "charged" with violating a city ordinance.

In addition to being dangerous, he said that several windows have been reported broken in the Albany Hill area.

Exchangers Ready Big Benefit Show Wednesday Night

Albany Exchangers today were all set for their big Freedom Shrine show next Wednesday evening at the Albany Theatre, during which the winning contestant of the shrine inscription contest will be announced.

The theatre has been turned over to the club for the benefit show, proceeds which will be used to construct a 12-foot shrine dedicated to freedom.

The big extravaganza will include two top movies, along with a one-hour stage show featuring both local and professional talent. Albany's Al Liotta will MC the show.

Heading the screen bill will be "Let's Dance," MGM's Technicolor musical starring Fred Astaire and Betty Hutton. It's a laugh provoking vehicle in which Betty has ample opportunity for clowning and Fred is ever dancing about, "California Passage" is the companion feature.

Joseph Y. Young is general chairman of the show, assisted by President Harry Williams, George Glavinovich and George Fiderio.

Tickets for the benefit will be available at the box office the night of the show.

Concert Group Maps '51 Drive

Plans for the Albany-El Cerrito Community Concert's spring membership drive scheduled from February 15 through 24 were made in a meeting last night at the El Cerrito High School, according to Mrs. Harold Stone, president.

Kick-off dinner will be held on Thursday evening, February 15, at Albany Community Church preceding the opening of the campaign.

Final arrangements were also made for the February 24 concert at Albany High School, which will feature the old famous Spanish dancers, Gomez and Rey. The concluding attraction will be a bonus program for all new members recruited during the campaign for the 1951-52 season.

Final plans for the membership drive will be made in a meeting of the board of directors on February 8, at the home of Mrs. C. A. Parkinson, of 725 Balra Dr., El Cerrito. Mrs. M. J. Schlatter, chairman, presided over the meeting last night, assisted by Mrs. S. E. McGaw of Albany and Mrs. Parkinson.

Liquor Tax Given Final Approval

The \$25 a month "cost of living" pay boost approved for Albany city employees for February 1 today was frozen by government wage-price controls, City Attorney Edward R. Plotner told the City Council Monday night.

Plotner said, however, an order exempting city, state and federal employees from the regulation was expected this week, according to information he received from the California League of Cities.

The Council passed the final reading of the "pay hike" ordinance 4-0 with Councilwoman Mrs. Kathie Zahn not voting. Mrs. Zahn said although she approved the increase in theory she could not vote "yes" if there was no money in the budget to provide for the hike.

Councilman John C. Longaker pointed out last week when the measure was introduced that the boost would be financed largely through sales tax revenue. He said that the tax return has been \$5,000 higher than expected for the first six months of this year.

"I don't think it is fair for Council members to accept an increase for themselves and then deny it to others," he commented Monday night.

He said he had reference to last July when the Council granted themselves a mileage allowance increase from \$10 to \$25 per month.

In other business, the Council passed the final reading of the "liquor tax" ordinance which calls for a half-cent per dollar on liquor sold by the bottle or over the bar.

Mrs. Zahn asked why it was called a "liquor tax" ordinance when it is written as "a use tax on tangible personal property."

The City Attorney explained that the ordinance is written to cover other items, but only the liquor portion would be enforced.

The Council met as a budget committee last night to discuss future sewer projects. The projects will be financed through some \$70,000 in state matching funds which the city is entitled to under Chapter 20.

ABC Chapter to Greet Five New Members

The ABC Chapter of Children's Home Society will welcome five new members into the organization at a meeting scheduled for 8 p.m. Monday at the home of Mrs. Maynard Murdock, of 710 Curtis.

They are Mrs. D. R. McSherry, Mrs. Vernon Freeman, Mrs. Robert Seay, Mrs. Thelma Hembert and Mrs. J. D. Munson.

Members will continue to make and sell doll clothing in sizes 11, 14 and 16 as their year-round fund raising project. All proceeds will go to the Society for the care of homeless children.

Members of St. Mary's College High School Mothers' Club are sponsoring a benefit fashion show at the Mt. Diablo Country Club on February 6, proceeds which will be added to the scholarship fund.

Binner Awarded Eagle Rank; 40-Year Pin to Vet Scout Leader

An Albany High School boy today held the rank of Eagle Scout—the highest award in scouting—after a colorful advancement ceremony conducted by Troop 12 Tuesday evening at Camp Hermis.

He is Tom Benninger, of 512 San Carlos, who is the second member of his family to receive the coveted award. Don, his older brother, became an Eagle Scout in 1947.

Benninger entered scouting in 1942 as a Cub in Pack 3 of Marin School. He soon earned all the ranks of the Cub program and graduated into Troop 12 in July, 1945. Since that time he has held the office of patrol leader, senior patrol leader and junior assistant scoutmaster. He spent four summers at Camp Wolfchore, the Albany-Berkeley camp in the Sierras.

In addition to his Scout activity, Benninger is an active member of the University Christian Church and is president of the church high school group. He plays trumpet in the Albany High School Band, of which he is senior manager. He is the son of Mr. and Mrs. N. J. Benninger of Albany.

The Eagle Scout award was presented by William Pursell, Albany-Berkeley advancement committee-man.

Gilson Talmadge, of 2320 Carlson Blvd., Richmond, was presented his 40-year pin for outstanding service to the local scouting program. He is institutional representative of Albany Post No. 292, American Legion, sponsors of the troop, and acting scoutmaster.

Albany High School graduated 42 seniors Wednesday evening.

T'was a Hilarious Evening For Dads

Allany Pre-School Mothers' Club provided a very colorful and hilarious evening last Saturday at the school on the occasion of its annual fathers' party.

Carried out this year on a circus theme, some 70 mothers and fathers, including major guests Mrs. Nell Curran and Mrs. Alyce Hoffinger, directors, enjoyed a very palatable buffet supper. The table was graced by a continuous border decoration which read "Welcome Fathers!"

In keeping with the circus theme, guests were given name tags made of assorted cutouts; the walls were adorned with eight-foot circus figures and large shadow boxes framing typical animals; striped scalloped paper in bright colors, balloons and crepe paper streamers transformed the school into a big top tent.

Center pieces on the card tables were amusing and clever clowns made of oranges, with poster paint faces, striped paper hats, hair of yarn and paper neck ruffles.

Entertainment consisted of community sing, a riotous melodrama done in pantomime, skits and individual acts. The peak of the evening was the program of games that was arranged for the entire group.

Mrs. Eldon Wolf and Mrs. Vasken Tashin, social chairmen, were in charge of arrangements.

Scouts Take Over
(Continued from Page 1)
sored by Albany Post 2658, VFW; Cub Pack 50, sponsored by the Legion; Cub Pack 7, sponsored by Cornell-Vista Dads, and Cub Pack 3, sponsored by Marin Dads.
W. E. Beemer, Albany commissioner for the Albany-Berkeley-Contra Costa Council said today: "Scouting is America's accepted program for boy development. There is real need in Albany for leaders and meeting places. Scouting is a process for making real men out of real boys by a real program. It builds better boys through influences and ideals and keeps the Scout physically strong, mentally awake and morally straight."
"What we need in Albany is more parents and organizations who will take a part in the Scout movement to help the boys—our leaders of tomorrow."

BUY NOW! VALUES GREATLY REDUCED!

Rarified Atmosphere!
YES!—The air is thin up here, and you too can live in this exclusive blue-blooded neighborhood in a modern 3-bedrm., 2-bath home priced at \$17,250, about \$3,000 under today's reproduction cost. There are too many wonderful features to describe in an ad, such as central heating, large halls, closets, landscaping and a kitchen that is a housewife's delight. So, Mr., Jr., Executive or business-man, call for appointment. The view from Albany Hill is terrific!

Wait a Minute!
SO YOU aren't a Jr. Executive and can't afford \$17,250? All right, start up the ladder with this jr. five-room stucco in the Annex, \$2,500 down: Total price \$8,950.

And If You Already
Have a Home—
LET US insure it. Don't forget, last month's windstorm caused millions of dollars worth of damage. Extended coverage really paid off. It's inexpensive, but necessary.
